

What makes you Australian ?

Print* and cut out this template, then write about what makes you Australian on the back of the postcard. You may also flip it over and tell us with illustrations, photos or however you like. But forget stereotypes – we’re interested in *you* and what it is that makes *you* Australian.

When you’re done, mail the postcard back to us to become part of The Australia Project’s online and travelling exhibition.

For more information visit:
www.australiaproject.com

* If possible, we recommend printing on thick paper.

By mailing the postcard back, you claim ownership of and responsibility for the content. The Australia Project cannot be responsible for damage or loss and postcards cannot be returned.
